PREFACE AND LEGALITIES

HI EVERYONE!

Here's a short message from us here at the PastryPunks bakery. We wish to inform all of our dear clients that it's advisable not to buy too many of our sugary treats in one go - you may end up eating too much!

While it may sound like we'd be happy with that, we'd actually be sad because we want our clients to have a relaxing time when visiting our Bakery.

So, please buy what you can afford (even though we know our cakes and other bakery are fantastic) and enjoy your NFTs and tokens in healthy amounts!

Also, please remember that this white paper is not to be taken as financial advice or as an attempt to influence anyone on their possible investment decisions.
