Meet the core team

The Fox: CEO, Partnerships Executive

The Fox has been involved in DeFi for several years, leveraging his real-life skills in building connections with empathy, honesty, and kindness. Professionally, he specializes in Web3, Blockchain, and tokenization, serving as a Business Developer and Director of Operations for multiple venues worldwide. Additionally, he takes pride in being the owner of an immersive dining business.

SOLO: COO, CMO

SOLO may sound lonely, but in real life, he's the leader of a team of nine people and owns two online shops. He has been in crypto since 2014 and has dedicated his time to creating lasting connections and revealing rugpulls.

Meet the rest of the team

PainterGuy: NFT artist, Ideator

PainterGuy owns a painting company and uses his artistic skills in combination with his A.I knowledge to create stunning NFTs.

Kevin: White Paper / Pitch Deck creator

Kevin is the CEO of LaunchWell Productions and uses his skills in linguistics, ideation, copywriting, white paper design, soft skills and empathic listening to help The People's DAO.

MegaTits (MT): Ideator

MT leads a public-sector entity that puts him in charge of about 250 employees. He's been an investor in crypto for a bit over a year and has created a call channel.

YkatoFan: Tech and Bot executive, Ideator

Ykato has extensive knowledge of coding and bots. Not only has Ykato developed The People's DAO contract, but he is also continuously assisting The People's DAO with our bots and other technical aspects.

Xakillaronidis: CryptoMagazine

Xak has amassed a vast array of connections in his DeFi journey. He also works in The CryptoMagazine and uses all of the above to aid The People's DAO.

Nathalie: Ideator

Nathalie has studied economics and has used that to help her in her four-year DeFi experience. Nathalie is the epitome of positivity and kindness and that shows in our chat.
